

DENVER MUSEUM OF MINIATURES, DOLLS and TOYS
ELEVATOR CAMPAIGN DRAWING RULES

- 1). Each donation of a minimum of \$1,000, or pledge of \$1,000 with a partial payment and payment plan, will make the donor eligible to have their name included in the drawing. A donation or pledge that exceeds \$1,000 will make the donor eligible for additional chances (one chance for each \$1,000 donated or pledged).
- 2). Once \$20,000 is donated or pledged, the name of one of the incentive gifts will be drawn at random from a group of all available gifts. Then, the name of one of the donors will be drawn at random from a group of the names of all 20 eligible donors. This process will be repeated as each \$20,000 level is reached. Donor names from a prior group of 20 will not be carried over into the next drawing.
- 3). A separate drawing to win a set of sterling silver candelabra and matching oval bowl will be held that will include only those whose donation equals \$10,000. That drawing will be held at the finish of the elevator campaign.
- 4). The person doing the drawing will be someone who has no eligibility to win during that particular drawing.
- 5). Donors eligibility will include ALL those who donated/pledged the minimum \$1,000 or \$10,000, retroactive to the beginning of the elevator fundraising.
